Agent: Dixie Moore

Client: Darlene Neireiter

Dixie stayed on top of the entire process from my first call to her letting her know that I needed to find a house as soon as possible all the way through to the close. Could not have asked for a better, in charge, person who always anticipated any event from start to finish, who listened to what I needed, and found just what would work. Kept me informed through out the entire process and explained all aspects of buying a house and how things worked, what was needed and why.

absolutely all of the above and then some. I have recommended her to others, and would call her again if I needed.

Dixie is respectful to her occupation, to her clients and to the end process.

She is trustworthy and has absolute integrity.

She knows her business and will do what it takes to get the job done

Thank you Dixie
